## JONATHAN SACKS

Traveler, Writer, Photographer, & Terrible Dancer of Everybody Hates A Tourist. Visited 40+ countries & major territories so far, slowly working my way through the rest.

### ABOUT MY BLOG

My blog name is a tongue-in-cheek, but relevant reference to a line from the song "Common People" by Pulp.

*Everybody hates a tourist, especially one who thinks it's all such a laugh*

I believe in in-depth, respectful, responsible, sustainable travel that focuses on cultural experiences as learning opportunities.
